

What is Snow Camp?

How much fun can a group of students have at Word of Life Snow Camp? We try every week to find out. We combine:

- Outdoor activities like snowmobiling, ice hockey, paintball and our mega tube hill
- Indoor activities like dodgeball, Xbox and sports tournaments
- The most dynamic programming you'll find anywhere

Snow Camp is more than just fun. We create a safe place to confront complex issues with God's Word. All around the world you can find committed believers who point to Snow Camp as a turning point in their spiritual life. Our team of dynamic speakers, trained staff and Bible Institute students and counselors are very focused on impacting every camper with the truth of Scripture. Come join us.
