

## OUR MISSION

To create a positive impact on the lives of young children and instill a love of learning that will last a lifetime. Through Christ-centered teachings, we prepare children for futures filled with success and joy.

## OUR APPROACH

We base our programs on the principles of "Developmentally Appropriate Practice," often abbreviated DAP. DAP is a way of teaching that focuses on how young children learn best. By adapting to the individual children within our care, we create the opportunity for learning and discovering together.

Teach children how they should live, and they will remember it all their life.

- Proverbs 22:6

**ARK**  
**PRESCHOOL**  
GROWING IN GRACE  
— OC TABERNACLE —

A warm, nurturing and enriching educational environment that prepares your child for kindergarten and their future.

Our Pre-School provides **learning & development** activities through socialization, positive reinforcement, play, and creativity which prepares your child to be **successful in kindergarten**.

We enjoy **helping your child** understand the world around them!

Because children learn in a variety of ways, we utilize many different **activities & methodologies** to ensure we reach every child.

**Our Program**  
stimulates learning thru  
center-oriented play:

- block center
- sensory tables
- manipulatives
- dramatic play
- housekeeping
- writing center
- art & music center
- language center

**Our Activities**  
are designed to promote  
and develop:

- interactive learning
- use of motor skills
- reading readiness
- following directions
- listening & kindness
- responsibility & independence

**Schedule & Tuition**

**Children 3-5 years old\***

Tuesdays, Thursdays & Fridays  
9:00 am to 12:30 pm  
\$350 per month

*\*children must be fully potty-trained*

**Lunch with Friends!**

Our daily schedule includes  
lunch time, so pack a lunch  
and eat with your friends!

We seek to develop & improve **all aspects** of your child's well-being & education, focusing on social, emotional, physical, and cognitive behavior.

We strive to **create a foundation** of **social skills & language development** as your child grows.
